The following information will guide you to prepare your stay in France.
COVID-19 information

RULES & RESTRICTIONS IMPOSED BY THE GOVERNMENT

Kedge BS is committed to providing a safe and healthy learning environment for our students. We have put in place a series of measures to ensure that health and hygiene regulations are respected.

All foreign students joining us are authorized to enter France. Depending on where you are coming from, you may be required to present a negative test result before boarding or to be tested upon arrival. For further information about the conditions of entry on the French territory, please refer to the governmental website:

Students must respect the national rules. Please note that the French government can make reforms within certain procedures.

More information on the Coronavirus restrictions in France can be found on the Campus France website: https://www.campusfrance.org/en/information-coronavirus-en

- Wash your hands often
- When coughing or sneezing, cover your mouth and nose with your arm or use a disposable tissue
- Dispose of any tissues you have used
- Avoid close contact when greeting others
- Maintain at least 2 meters distance between yourself and others
- Wear a mask when the 2-meters distance cannot be respected

COVID19 TESTS

There are several possibilities to get tested in France for Covid 19. In most cases you need to make an appointment in order to get tested. Appointments can be made via the test centre/pharmacy website, phone or the Doctolib system. You may need to present your EHIC insurance card or your French health insurance certificate.

- The PCR test is used to screen for CoV-2-SARS infection conducted in a laboratory. To locate the nearest screening centres and laboratories follow the link here. The interactive map will show you the closest medical centre according to your location.

- The Antigen test can be conducted in pharmacy. The result is faster but less reliable than with the PCR test.

- The Serologic test measures the antibody response in an individual. It indicates that a person was infected with the COVID-19 virus in past. Pharmacies can perform the serologic test.

- Auto-tests are available in pharmacies since mid-April 2021. The price limit is 6€.

BEFORE YOUR ARRIVAL

Before leaving your home country and your family, you must complete several formalities. Some are related to the Kedge Business School student registration, others to your daily life in France. Check Campus France advice on how to prepare your stay in France: Campus France arrival sheets.

KEDGE BS CAMPUS VIRTUEL REGISTRATION

After you have been accepted at Kedge BS, the registration office will send you an email, which will enable you to log into KEDGE intranet: “Campus Virtuel”-https://campusvirtuel.kedgebs.com - and create a private account. Once you are logged into your Virtual Campus, fill in the required fields according to the integration procedure closely explained in the email.

More information on:
https://welcome.kedge.edu/welcome-international-student/toulon-campus/degree-seeking-student/my-registration-procedure

COURSE REGISTRATION

After the completion of your Virtual Campus file, you will be sent an email indicating the procedure to select your courses online. This depends on the programme in which you will study at KEDGE BS. It can only be done once your “Campus Virtuel” registration is completed. All instructions will be given via email.

Credits earned at Kedge BS are the ECTS (European Credit Transfer System). 60 ECTS credits represent the workload of a year of study (30 credits per semester). Credits are awarded when the course and all required examinations have been successfully completed. Most of our courses are worth 5ECTS. Each course is composed of 10 lectures, which corresponds to 30 contact hours & 70 hours of personal homework. Grading is out of 20 points, passing grade being 10/20.

LEARNING AGREEMENT

Most of Erasmus+ students are required by their home institution (not by KEDGE BS) to have their Learning agreement signed before their departure. You can send your learning agreement for signature to incoming@kedgebs.com or directly to your Kedge BS academic coordinator (see during your stay section for further details).

SPECIAL NEEDS FOR INTERNATIONAL STUDENTS

KEDGE Business School has established a service in line with our values of equality for all to support students with special needs during their time with us. If you chose to provide us with details about your disability or special needs, we will work with you to identify the types of support you need.

The whole campus is accessible with a wheelchair. Moreover, the examination office can organize examination arrangements such as separate rooms, additional time or working on a laptop as opposed to hand written exam.

For all your questions, please contact: handikaptoulon@kedgebs.com

ACCEPTANCE LETTER

Your acceptance letter will be available only after you have finished your exchange application form and have been accepted.

The acceptance letters will be sent automatically ONLY to students who are non-European citizens for the purpose of visa. If you are an EU national, you can request your acceptance letter via email: incoming@kedgebs.com

Your acceptance letter will include an "end date". This is a hypothetical date and refers to the last possible date to sit an exam. Erasmus students must communicate their real departure date to their home university International Office. Only the real departure date will be included in the Certificate of departure. This adjustment may affect your Erasmus grant, so you must check the policy of your home University regarding your last date in your Certificate of departure.

KEDGE INTERNATIONAL FACEBOOK GROUP

We offer the opportunity to join the international student group to all our enrolled international students via our Facebook Group. You will be able to find important information and get in touch with your future classmates as well as other international students attending KEDGE BS.

This group is private and we only accept Kedge students. You can ask to join here: FACEBOOK
STUDENT VISA

We advise all students who need a VISA to make an early contact with Campus France [www.campusfrance.org/en] or the French consulate [https://france-visas.gouv.fr/en_US/web/france-visas] in the home country. Check the list of documents to be submitted and note whether these documents need to be translated or certified. Submit only one file and make sure it is complete in every way.

1. EUROPEAN STUDENTS
   - No VISA required

2. NON EUROPEAN STUDENTS

   **Extended-stay visa (more than 90 days)**
   Students from the following countries apply for a French student visa at Campus France:
   Algeria, Argentina, Benin, Brazil, Burkina Faso, Burundi, Cameroon, Chile, China, Colombia, Comoros, Congo Brazzaville, Ivory Coast, Djibouti, Egypt, Gabon, Guinea, Haiti, India, Indonesia, Iran, Japan, Kuwait, Lebanon, Madagascar, Mali, Mauritania, Morocco, Mexico, Peru, Republic of the Democratic Congo, Russia, Senegal, Singapore, Taiwan, Togo, Tunisia, Turkey, Vietnam

   Students have to create an account on Campus France website and will receive an access code to keep carefully for their visa process and follow up. Neither Campus France nor any other organisation, individual or entity will have any role in the visa-granting process, which is the sole responsibility of the French consular service.

   Students from other countries have to contact the closest French Consulate or Embassy: [https://france-visas.gouv.fr/en_US/web/france-visas]

   **Short-stay visas (less than 90 days)**
   In case your stay in France does not exceed 90 days, there is no need to apply for a residence permit with a short-stay visa. Also, note that the temporary visa cannot be renewed and cannot be transformed into a long stay visa while in France.

   More information about visas/ [https://welcome.kedge.edu/welcome-international-student/marseille-campus/exchange-students-simple-exchange-and-double-degree-students/administrative-formalities]

   **HEALTH INSURANCE**

By law, all students being less than 28 years old on September 1st of the current academic year and coming to study in France for more than 3 months are required to purchase the French student health insurance through their French higher (i.e. KEDGE Business School) before the classes start.

**SOME EXCEPTIONS**
- Students from Quebec holding form SE-401-Q-106
- Students holding a European Health Insurance card
- Students being more than 28 or studying less than 3 months

**GUARENTEES**
In the event of sickness, the French Health Security ["Sécurité Sociale Française" - http://www.ameli.fr] refunds a certain percentage or the expenditure based on set charges called "tarifs de base (TB)" or "tarifs conventionnés (TC)". The standard coverage is sufficient for a very basic visit at the general practitioner but might not be sufficient to cover higher expenses such as hospitalization, change of glasses, dental / eye surgeries, etc... We therefore highly recommend students to subscribe for a complementary health coverage (Complémentaire Santé) in order to benefit from a better coverage.

There are several French health insurance companies, please consult the following websites to get familiar with their services.

**STUDCORP**
It is a French platform which accompanies students from all over the world. They may help you to acquire among others your housing insurance or your complementary Health insurance. Please check their website for more detailed information:

https://www.studcorp.com/incoming-kedge/
KEDGE Business School does not offer rooms on campus in Paris, Kedge BS provides help finding an off-campus accommodation. You can find on the following likes some residences which are offering accommodation for students.

**Campusea**
https://campus.youfirst.co/en/

**Nexity Studea**

KEDGE BS Toulon welcomes international students and is happy to help them getting accommodation. Housing in Paris may be difficult to find.

We strongly recommend students to search and book accommodation before your arrival.

**Studapart**

You can find housing via our partner Studapart: an online platform which helps you in your housing research from the housing application process to the booking.
https://kedge.studapart.com/en/

Create an account by using your kedgebs.com email address and then log in.

You will find on this platform housing offers dedicated to international students from:
- Private landlords
- Real estate agencies
- High standard residences in France

A multilingual support team will help you 6 days a week to help you to find and book accommodation.

This platform will also allow you:
- To generate as soon as you have booked (and paid) your accommodation, a housing certificate for your Visa process
- To subscribe to a housing insurance (compulsory when you rent a flat in France) and to provide a housing insurance certificate (required document to check in) upon your arrival

For any question regarding the platform: connexion issues, offers, payments etc., please contact
booking@studapart.com,
+33 (0) 1 80 92 64 01 (free call from abroad)
Private market

Another possibility is to rent a room or a shared flat on the private market (flats run by landlords).

The prices can be very different as it depends on the location of the flat, its size, if it is furnished or not and if all or part of the charges are included (household rubbish collection tax, water, electricity, heater, internet, etc.).

Rents generally do not include electricity, water and internet access and range from 450-700€/month for an individual flat and 300-700€/month per person for a shared flat (2 people or more).

You can check on the following websites for individual and shared flats. Private landlords post some of the advertisements whereas others are published by estate agencies:

- www.sudouest-annonces.com
- www.leboncoin.fr
- www.paruvendu.fr
- www.pap.fr
- www.seloger.com
- www.info-jeune.net
- www.lokaviz.fr

N.B: The websites are in French so if you cannot speak it, this may be complicated.

Some of the advertisements can be published by estate agencies who may require you to pay some management fees (equivalent to one-month rent.) If you are asked to pay management fees around 200€, be careful because it may be a fraudulent ad.

ATTENTION: Always check if the advertisement is not a scam. You can contact our housing service should you have any doubts.

Tips for your housing hunt

- If possible, try to avoid estate agencies as they will charge you a lot and will ask for French guarantor. Try to deal directly with owners.
- Never send money in advance to private landlords (except for private residences and the private owners dealing with the Interacts)
- Some specific real estate agencies ask you to pay to give you a list of apartments. DO NOT BUY APARTMENT LISTS
- Do not forget to ask if the utilities (heat, hot water, cold water, waste, elevator) are included or not in the rent. If not, be aware that you will have additional bills. Always ask exactly which are the operating costs included in the rent to avoid nasty surprises!
- If you intend to book a room in a hotel, you will pay a minimum of 60 € per day.
- Rent is to be paid in advance, usually before the 5th of the month by check or bank transfer

French guarantor

Most of the landlords/ estate agencies only agree to rent their accommodation if you can provide a French guarantor. In that case, they may require many documents in order to rent you an apartment. This is to assure them that you can afford to pay the rent. As you are a student and do not have a regular income, your parents are your guarantors.

As your guarantors, if you want to find housing, they will need to provide you:

- 3 last payslips or an evidence of their income tax (you will add the translation of the salary/ income tax amount in euros) His salary must represent 3 times the amount of the rent.
- A proof of their address (electricity, gas bill…)
- A copy of their passports and yours
- Their bank account details

VISALE GUARANTEE

Visale is a service which helps students settle in their accommodation by providing a free guarantee to your landlord. It is open to foreign students who are part of the EU and to holders of a Long Stay Visa (Visa Long Séjour, mention « étudiant » / VLS-TS). You must apply for it BEFORE signing or renewing your lease.

You can apply to Visale for free on their website: www.visale.fr
Culture shock
Culture shock is defined as, “the mental shock of adjusting to a new country and a new culture, which may be dramatically different from your own”. It is also said that it is a normal stage in the acculturation process that all newcomers go through. Being in a strange place and losing the power to communicate can disrupt a person’s worldview, self-identity, and systems of thinking, acting and feeling. France has many cultural differences from your home country. Some of these differences can become so overwhelming that you will want to leave France forever (culture shock). Learning how to deal with these differences and understand the French reasoning is the key to coping with culture shock.

Preparation is the key.
Adjusting to life in new country can be challenging but also rewarding. One good way to cope is to prepare so you know what to expect. Culture shock can hit you in many different ways. You might experience culture shock all at once or feel it at different times.

Patience and humour are helping to acclimate oneself to the different environment. By accepting the differences and acknowledging them, it is easier to get some perspective for both the good and bad moment during this international experience.

Arriving in France
You are about to come and live in France and you should know that arriving in a country with different culture, climate, traditions and language can become an unsettling experience. Indeed, whereas they are small or big differences between the French culture and your home country’s culture, your state of mind can evolve.

BE PREPARED FOR A CULTURAL TRANSITION!

TIPS TO BETTER ADAPT TO THE FRENCH CULTURE

1. Learn to speak French
   This is one of the best ways to settle in among locals.

2. Be patient
   Administration is rather complicated and takes time. Be prepared!

3. Be attentive
   Adapt to the French schedule: meal time, shops opening days and hours, party time.

4. Learn to enjoy your meal
   There is no need to hurry. Most French people eat with no hurry.

5. Be open minded
   Sometimes you will have to get out of your comfort zone, it does not mean you cannot enjoy the experience.

FROM THE AIRPORTS
You will be landing to Marignane city at the Marseille-Provence Airport OR to Toulon/Hyères Airport which is the closest airport to travel to Toulon. This airport is located outside Toulon, at 30 minutes by car from Toulon’s town centre.

Housing benefit from the CAF

The French Caisse d’Allocations Familiales (C.A.F) grants a monthly amount to help to pay rent to students staying in the same place more than 5 months (if your stay is shorter you will not be eligible). The housing benefit is subject to income conditions and depends on the size of the flat, the amount of the rent, if you are living alone or in a shared apartment, etc. You will be able to have an idea of how much you can get (once you have found your housing) by doing a simulation on their website.

Note that the first and the last month are never paid.

Non-E.U. students may receive - or not - this housing benefit depending on the type of visa they are holding. Please note that if on your visa it is written “Dispense temporaire de carte de séjour”, you are not eligible for this grant.

When you are in France and as soon as you have your definitive housing address, you should apply on-line on www.caf.fr. Once you are registered, you will have to send your file and the requested documents to the CAF either by post or by going to one of their offices.

Once your application is accepted, the amount will be transferred to your bank account in France, so you have to pay the full amount of rent to your lessor or the grant will be paid to your lessor’s bank account and you will have to pay the remaining amount to your lessor.

French residence tax

In France when you are occupying an apartment on January 1st (no matter when you entered or when you will leave), you have to pay the French residence tax which is usually equal to one month rent. As the tax document is sent in autumn (around October), and if you already left Toulon, you will have to give your new address to your lessor in order to receive this document in your new apartment even if you are not living in France anymore. The tenant, not the lessor, must pay the French residence tax.

Electricity

In France the electricity account is attached to a person occupying the housing. Each new lessor needs to open an account with EDF (the original French electricity company) or any other company on the market. The electricity number is needed and it should be provided by your landlord.

The same may be done for gas. However the water bill is usually sent to the landlord directly, therefore you do not need to open a water account.

EDF website: https://particulier.edf.fr/en/home.html
GAS website: https://particuliers.engie.fr/en.html

Housing Insurance [mandatory]

Upon arrival, all students are legally required to buy an insurance for their room/apartment (against flooding, fire or natural disaster as well as theft). Note: CROUS residences are not concerned.

This document is necessary to check-in at most residences and landlords the first day.

- The Kedge Abroad association can help you getting housing insurance by opening a bank account.
- Banks may offer this kind of insurance when opening a bank account.
  Please contact your bank in France for further information about the cost and guarantees.
- Estate agencies offer home insurance but to be eligible you have to rent an apartment owned by the agency you have chosen (ex: if your flat is managed by “Nexity” (estate agency) they will offer you a home insurance)
VISA FORMALITIES UPON ARRIVAL

Depending on the type of Visa, international students may have to finalise the validation of their VISA with additional steps after your arrival.

**Schengen Visa**
No actions required upon arrival

**Extended-stay student visa (visa Long Séjour" VLS/TS) / Residence Permit**

There are two possibilities:

1. Temporary exemption from residence permit (“Dispense temporaire de carte de séjour”)

   Residence permit application with the Prefecture within 2 months of your arrival

**RESIDENCE PERMIT APPLICATION**

International students holding an "Extended-stay student visa" (visa Long Séjour" VLS/TS), with the following statement on their visa: “Carte de séjour à solliciter dans les deux mois suivant l’arrivée” must apply for a residence permit through the French administration.

1. Contact the Préfecture and drop the residence permit application within 2 months after your arrival.

2. Get the “récépissé”. You will receive a first letter of appointment with the Préfecture. It serves as residence permit until the reception of a letter stating that the official document is ready to be picked up (within 4 weeks after the appointment).

3. Receive the Letter of appointment at the Préfecture to collect your residence permit (only if the file is complete). Otherwise the letter will indicate other documents to be submitted to complete the file.

   - Passport-size photos,
   - School registration certificate,
   - Housing certificate,
